Vacation care

Over the two weeks of school holidays, we have had yet another very successful vacation care at LNPS! The responses from the children that we received after all the excursions, visitors and in-days was extremely positive. The staff observed many memories and friendships being built between the children at our service this vacation care. We would like to say thank you to the parents for your ongoing support and patience with limited bookings and understanding the work that goes into putting on this great service.

Excursions

Over the two weeks, the children and staff went on three different excursions to the Adelaide Gaol, The Semaphore Cinemas and AFL Max. At the Adelaide Gaol, the children were split into groups to take part in three different activities. Through these activities, the children were able to learn about the history of the Adelaide Gaol and what life used to be like in the Gaol. The children really enjoyed working together and built on their relationship with their peers. At the Semaphore Cinemas, the children and staff enjoyed *DC: League of Super Pets* while also enjoying some yummy snacks from the candy bar! Both the staff and children had a few giggles and were entertained for the whole movie.

At AFL Max the children got to practice their football skills and joined in on the competitions throughout the session. There was so much to try and experience at the facility with not only football activities but also rock climbing and soft play obstacle courses. It was great to see the children giving everything a go and for some stepping out of their comfort zone.

In-days

On our in days, we enjoyed baking some of our favourite treats that were biscuits and chocolate crackles. We also spent our other in-days having our technology day and making our awesome sock puppets on the last day. We also had a few special visitors from the Adelaide Strikers and Bingo Jack the magician. With the strikers, the children got to participate in activities with their peers playing cricket and trying new skills. They got to play with their friends and enjoy the activities led by the Adelaide Strikers. When Bingo Jack the magician visited us, he created magic before the children's eyes and wowed us with his performance.
