When we returned after the Christmas break, we got to explore the National Railway Museum and have a fun day at our local Mellor Park for some lunch and some fun on the playground.

Visiting the Adelaide Zoo, the children got to see many different animals and insects and even an amazing bird show.

At bounce we used a lot of energy bouncing on trampolines, rock climbing and having so much fun!

Excursions

At the cinemas, the children got to enjoy an incredibly fun and entertaining film 'Lyle, Lyle, Crocodile.' By the end, it had everyone singing and humming to all the songs.

Our last two excursions of vacation care, they were filled with fun water activities. The kids bravely went down the slides at the Big Wedgie and enjoyed some fun in the sun.

For our last excursion, we got to enjoy a big day at the Marion Outdoor Pool where the children got to go swimming and slide down the water slides.

In the lead up to Christmas, in our first week, we kept up the festive cheer by having a Christmas ornament making day and a Christmas dress up party day.

Incursions & In-days

On one in-day, the children got to enjoy planting our OSHC garden and learning new tools and skills to keep our plants healthy and growing.

The technology day and wheels day, the children got to bring their scooters and bikes to ride around on as well as bring in their favourite technology from home.

The people from Rev It Up Racing set up our gym with multiple game simulators, where the kids got to do virtual races and other fun activities with each other.

Incursions & In-days

In our summer holidays, the best way to cool off was on our water day. Using water guns, water balloons and our OSHC slip n slide, the children got to have heaps of fun and be nice and cool on a hot summers day.

We had a particularly sweet day on our cupcake decorating day. Filled with colourful icing and lots of sweets to decorate, the children had a blast being creative and have a yummy treat.

This vacation care we spent a couple of days exploring different cultures. We had an Indigenous games day, where the children got to learn and play many different games.

On our Chinese New Year day, each of the children got to have a go at making some traditional Chinese arts and crafts. They also enjoyed learning about the Chinese New Year Animals and figuring out, which one was there from the year they were born.

Our last incursion for vacation care, was a massive SANFL Clinic. The children got to have a go at learning the main skills of football and then got to participate in different games, activities and inflatables.

Crazy hair day was filled with creative ideas and some crazy, whacky hairdo's. Educators got to help with the hair styling and the coloured hair spray to help bring the children's hair inspiration to life.

To finish off what was a great vacation care, we enjoyed a picnic at OSHC with some lunch and snacks provided by The Bakers of Henley. It was a great way to finish off our vacation care and the children really enjoyed our little picnic at OSHC.
