Welcome

TO LOCKLEYS NORTH PRIMARY SCHOOL OSHC

At Lockleys North Primary School OSHC, we welcome children from our school and the wider community into a space where they can feel safe, supported, and inspired.

We believe in creating an environment where every child is recognised as a capable and unique individual. Our play-based approach allows children to make choices, follow their interests, and develop a strong sense of independence and belonging.

Each day offers new opportunities for discovery—whether it's through hands-on experiences, quiet moments, active play, or creative exploration.

We value cultural diversity, individuality, and inclusion, and we aim to build a space where every child feels seen, respected, and at home.

More than just care, OSHC is a place to grow, connect, create, and enjoy.

We look forward to welcoming your family into our OSHC community in 2024!

Jenny Wei
Director of OSHC

Meet Our Team

At our OSHC service, we are proud to have a diverse and passionate team of educators, each bringing unique backgrounds and expertise to enrich our program.

Our staff includes qualified teachers as well as emerging teachers, social workers, speech pathologists, and even professionals with experience in animal conservation—each contributing valuable perspectives to support every child's growth and development.

With a strong foundation in OSHC programming, child development, and a genuine commitment to creating a safe, engaging environment, our dedicated team is here to support your child through every step of their OSHC journey.

Meet Our Team

Our team of Educators are committed to the care, nurture, education and wellbeing of your child during their time at school. Our staff come from a wide range of professional training and experiences and each bring something wonderful to share in the care of our school community.

Child Care

Management System

We use a Child Care Management System called OWNA.

All OSHC Bookings can be made from this system at your own convenience.

Bookings can be made on a permanent or casual basis.

Eligible families will receive Child Care Subsidy, which automatically applied through our booking system.

For more information on how to register, please chat to our OSHC Team.

Fee Structure

We strive to keep our fees transparent and affordable while delivering high-quality care:

Before School Care

Permanent Booking: \$17.00

Casual Booking: \$22.00

After School Care

Permanent Booking: \$29.00

Casual Booking: \$34.00

Vacation Care (Flat Rate): \$76.00

All payments are managed through our Child Care Management System (CCMS)– OWNA.

Families can opt for Direct Debit (fortnight in arrears) or process manual payments through the app if preferred.

Statements are accessible easily and updated live for families through the app. Our OSHC team is always here to help directly with any billing enquiries or support.

Child Care

SUBSIDY (CCS)

Did you know....? Child Care Subsidy is available for OSHC!

If you are eligible for the Child Care Subsidy (CCS), please provide both your and your child's Centrelink Customer Reference Number (CRN).

Once your child begins attending, the claiming parent must log into their myGov account within 28 days to confirm the booking and receive their subsidy.

The approved CCS amount will be automatically applied to your weekly invoice.

Breakfast

OPEN AT 7:00AM

Children attending Before School Care are invited to join us for breakfast at OSHC.

Regular menu items include cereal, toast, yoghurt and oats.

Children can also enjoy our Special Breakfast Mornings with smoothies, croissants, breakfast wraps, homemade pancakes and more!

Many mornings will also include opportunities for children to participate and enjoy cooking activities with the Educators.

Afternoon Snack

We aim to provide a balanced menu of delicious afternoon snacks alongside a fresh fruit platter.

Each snack is made fresh daily at OSHC.

Children choose our weekly menu and we are always open to trying something new!

(WEEK 4)

BREAKFAST *everyday*

- Toast
- Cereal
- Raisin Toast

Check out the daily notice board to see if there are any special breakfast options!

Programming

Children can take part in a number of different activities facilitated by educators in Before and After School Care. We pride ourselves on offering an exciting range of themed activities and enjoy celebrating special events and the world around us.

Children are also encouraged to enjoy free time, physical activity or create independent activities based on their own interests and ideas. We are regularly seeking fresh ideas, encouraging children to contribute their wonderful ideas for the programming they can enjoy in OSHC.

AFTERNOON ACTIVITIES

Children at OSHC can participate in a number of afternoon programmed activities throughout the week, which provide opportunities for children to enjoy different passions or try something new! Clubs include cooking, gardening, sewing, arts and crafts, STEM and more.

Technology Time

At OSHC we value balance in how children spend their time with us.

Technology can be a great tool for developing skills, creativity, problem-solving and social play, and we encourage children to explore it in a responsible and guided way.

To support this, technology use is limited to after 5:00pm for 15 minutes. This ensures children also have plenty of opportunities throughout the day to enjoy outdoor play, social interactions, and hands-on activities, while still having some free time to relax with technology if they choose.

Our educators supervise and guide technology time to promote safe, positive and respectful use.

OSHC

FROM

05:00

TECHNOLOGY TIME

01

Check with an Educator if it is technology time.

Technology time is after 5:00pm unless you are doing homework.

Please help with a 'Responsibility Task' before starting your technology time. You can check the poster or ask an Educator.

02

Remember, we are all a team and helping is a wonderful part of that!

03

Please set a 15 minute timer for your freeplay technology time.

Please respect our technology agreement. If someone arrives to pick you up before your time is up, don't worry, there is always next time!

Support

For Classroom Transitions

Naturally, some children may need some extra support transitioning into the classroom once Before School Care has finished.

Educators are there to assist in supporting children if they would like help with transitioning from OSHC and into the classroom to begin their school day.

This may look like.....providing encouragement, morning reading, walking them to class, playing a quick game before hand, and helping with the morning classroom routine.

Before & After

School Sport

There are a number of children who attend OSHC that have outside school hours sporting commitments.

Educators will assist in making sure students are offered something to eat before sport.

Educators will facilitate self-responsibility and can help children with any sports uniform (e.g. shoes, padding etc).

We will ensure they have drink bottles and hats ready.

We will walk them to their sport and pick them up once it has concluded.

Vacation Care

Lockleys North Primary School OSHC provides a Vacation Care service during the school holiday periods, where the children are cared for and can enjoy an exciting program.

Operating hours are 7:00am– 6:00pm in Vacation Care.

We offer a variety of exciting excursions and themed incursions.

Please see our website for more information on Vacation Care and to view our current Vacation Care Program.

Excursions

Excursions are one of the most exciting parts of Vacation Care! They give children the chance to head out into the community, discover new places, and share adventures with their friends.

Excursions help build confidence, independence, and wonderful memories, all while being supported by our caring educators. Safety is always our top priority, with detailed planning, risk assessments, and parent consent in place so families can feel reassured while children enjoy the fun.

Incursions

Incursions bring the fun straight to OSHC! Whether it's an Educator guided or invited guest running a sports clinic, workshop, performance, or hands-on activity, incursions are a chance for children to learn new skills, explore their interests, and experience something different – all without leaving the school!

Many of our incursions are shaped by the children's own ideas, making them extra special and engaging. It's a safe, exciting way to spark creativity and curiosity while keeping the fun flowing at OSHC.
